October 10, 2008

Dear Members

Please find the *new* electronic registration details for the forthcoming Autumn meeting to be held November 14/15 at Burleigh Court Loughborough. We are most grateful once again for the support of Boehringer Ingelheim who are handling mailing and administration and Intervet / Schering Plough who are dealing with registration.

The programme includes state of the art cardiac imaging, the mysteries of the right heart, hypertension, congenital heart disease, even more on mitral valve disease, collapsing horses, arrhythmic horses, challenging cases, reports from ACVIM and ECVIM (for those who were too slow off the mark to take up the bursaries) and the results of QUEST. We hope you will agree that this is an exciting programme with a broad spectrum of cross species cardiovascular topics and a spectacular array of UK and International speakers guaranteed to stimulate lively debate and help combat the miseries of the current global economic and financial crisis. By popular demand there will be another Ceroc session after the conference dinner. And all at last years prices!

REGISTRATION: *please note that all registrations have to be made via the website*. Anyone who does not have access to the internet please telephone 01908 685685 (option 4).

All speakers will be automatically registered.

How to register.

- go to Intervet cpd website www.intervet-cpd.co.uk
- select VCS Autumn Meeting (members) from the list of CPD events
- Login with username "vet" and the password "professional"
- Select the appropriate booking option from the list
- click the "more" button for additional details, or "register" button to book a place, selecting payment option and filling in the appropriate text fields.
- please make a note in the free text field if you want to book additional dinner places

There is a £30 reduction for online payment via credit card in addition to the usual early bird discount for bookings received before October 29. There is a limit to numbers for conference and accommodation and so the customary "first come first served" rule applies.

You will receive confirmation of your booking via email to the email address that you type in. If you want accommodation for additional nights please contact Burleigh Court direct beds@welcometoimage.com tel: 08450364624

Please contact Sue Roberts slcardref@btconnect.com 07850740356 if you have any problems with this new system.

We look forward to seeing you in Loughborough.

Best wishes to all.
Yours sincerely

Simon Swift Jo Arthur Geoff Culshaw Sue Roberts
